Military

Do you have any suggestions for improving the conference?

This was excellent, Thank you. (MG)

Keep up the good work.

I was very impressed with this NHRA fall 2008 conference. Sessions were informative and motivating for my profession.

No – excellent conference, location was great, trainings were diverse.

None – this was great – loved the art gallery environment.

No, Great day.

Great location.

No, breaks were good, I liked having a lot of breakout sessions, great food! (MC)

None, great venue for the conference, I really enjoyed touring the museum at lunch.

This was a neat location, use it again.

Give break-out session topics ahead of time versus at the conference. (BP)

No.

Do you have any suggestions for future workshop topics?

More on immigration – case studies. (MG)

Continue with interesting venues.

Alternate sources (employers/organizations) requiring services of vocational rehabilitation counseling.

Mental health supported employment & serving those coming out of jail/prison & addressing issues such as felony records.

Keep the same venue.

Specific disability and employment.

Another disability topic.

Have business/employers present how they collaborated with Voc Rehab services.

As unemployment <goes up> next few years given recession ->how to better case manage with <increased> numbers.

Strategies for clients with TBI's. (MC)

How to work with people with criminal backgrounds in job placement.

Economy, economy, economy.

This was a great location, enjoyed the art.

Please include at least one workshop on Ethics, as it's required by our certification board.

What does a retired rehab counselor do with their time?

Panels of customers of how VR has helped customers – in addition to self-employed.

(BP)

Excellent.
